

Helping Customers Save Time & Money  
Eliminating Paper Workflows with Industry-Leading  
Solutions Since 2005.

### Our Vertical Market Specialties:

- Healthcare
- Manufacturing
- Legal
- *More!*

### Some of Our Paperless Applications:

- Accounts Payable Automation
- HR Employee On-Boarding
- Mobile Collaboration & Workflow
- *More!*

document scanning **OCR.MANAGEMENT.VISUAL.AUTOMATION.** paperless analytics

### OCR Scanning Software.

It has never been easier to capture data from *Paper Forms, emails, Electronic Submissions*, and more. We have all of the industry-leading OCR Softwares available.

### Document Management.

Once you've capture that data, where does it go? Our *document management* options connect teams with rule-based *workflow* like never before.

### Visual Analytics.

Now your systems can *report* back their health, efficiency, and productivity *without custom code*. However, we do have the tools to develop whatever you need.

### Integrated Systems Automation.

Automation solutions are only good if their integrations are tight and secure. Tallega's *extensive API's* allow us to work with data and systems that *you already own*.

#### TESTIMONIAL:

"BLESS YOU! THANKS AGAIN FOR ALL OF YOUR HELP. I'M FOREVER GRATEFUL THAT I SWITCHED TO TALLEGA, AND TODAY WAS THE PERFECT EXAMPLE WHY!" –B. SMITH, LC

# WELCOME TO TALLEGA

## UPGRADE TO A NEW LEVEL OF VENDOR SERVICE

Tallega has discovered a revolutionary way of helping their customers **Cut Processing Costs, Increase Revenues, and Eliminate Paper**. How?

Instead of force-fitting a solution that won't work into your environment, *we help you find the "right" solutions* for your paperless goals. Tallega wants to be your **Trusted ECM Consultant**, not another vendor. That's why we go the extra mile to provide outstanding service.

### Tallega's Partners & Awards from the ECM Industry

It's time for you to experience the best. Our customers say things like:

I can **SEARCH** for any document and get all of the detailed information I need in seconds. That used to take a week!

**AUTOMATED ALERTS** have caught many errors without any human intervention. Awesome and comforting.

It's never been easier to work and **COLLABORATE** with my team. I can assign tasks and workflows from anywhere.

Instead of manual work, the **REAL-TIME ANALYTICS** shows the team where the workflow bottlenecks are.

Since our system is based in the **CLOUD**, we can access data from anywhere on any device. **HYBRID** options help too.

Tallega **MANAGES ALL OF OUR SUPPORT** contracts in one place. That means less vendors to deal with!
